**Between the Government of the State of Kuwait**

**and**

**The Government of the United States of America**

### **To Improve International Tax Compliance and to Implement FATCA**

Whereas, the Government of the State of Kuwait and the Government of the United States of America (each, a “Party,” and together, the “Parties”) desire to conclude an agreement to improve international tax compliance;

Whereas, the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas, the Government of the State of Kuwait is supportive of the underlying policy goal of FATCA to improve tax compliance;

Whereas, FATCA has raised a number of issues, including that Kuwait financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas, an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for Kuwait financial institutions;

Whereas, the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and automatic exchange, subject to the confidentiality and other protections provided for herein, including the provisions limiting the use of the information exchanged;

**Now, therefore, the Parties have agreed as follows:**

  - (2) individual and collective portfolio management; or
  - (3) otherwise investing, administering, or managing funds or money on behalf of other persons.

- p) The term **“Nonparticipating Financial Institution”** means a nonparticipating FFI, as that term is defined in relevant U.S. Treasury Regulations, but does not include a Kuwait Financial Institution or other Partner Jurisdiction Financial Institution other than a Financial Institution treated as a Nonparticipating Financial Institution pursuant to subparagraph 3(b) of Article 5 of this Agreement or the corresponding provision in an agreement between the United States and a Partner Jurisdiction.
- q) The term **“Financial Account”** means an account maintained by a Financial Institution, and includes:
  - (1) in the case of an Entity that is a Financial Institution solely because it is an Investment Entity, any equity or debt interest (other than interests that are regularly traded on an established securities market) in the Financial Institution;

- (2) in the case of a Financial Institution not described in subparagraph 1(q)(1) of this Article, any equity or debt interest in the Financial Institution (other than interests that are regularly traded on an established securities market), if (i) the value of the debt or equity interest is determined, directly or indirectly, primarily by reference to assets that give rise to U.S. Source Withholdable Payments, and (ii) the class of interests was established with a purpose of avoiding reporting in accordance with this Agreement; and
- (3) any Cash Value Insurance Contract and any Annuity Contract issued or maintained by a Financial Institution, other than a noninvestment-linked, nontransferable immediate life annuity that is issued to an individual and monetizes a pension or disability benefit provided under an account that is excluded from the definition of Financial Account in Annex II.

Notwithstanding the foregoing, the term “Financial Account” does not include any account that is excluded from the definition of Financial Account in Annex II. For purposes of this Agreement, interests are “regularly traded” if there is a meaningful volume of trading with respect to the interests on an ongoing basis, and an “established securities market” means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange. For purposes of this subparagraph 1(q), an interest in a Financial Institution is not “regularly traded” and shall be treated as a Financial Account if the holder of the interest (other than a Financial Institution acting as an intermediary) is registered on the books of such Financial Institution. The preceding sentence will not apply to interests first registered on the books of such Financial Institution prior to July 1, 2014, and with respect to interests first registered on the books of such Financial Institution on or after July 1, 2014, a Financial Institution is not required to apply the preceding sentence prior to January 1, 2016.

- t) The term “**Equity Interest**” means, in the case of a partnership that is a Financial Institution, either a capital or profits interest in the partnership. In the case of a trust that is a Financial Institution, an Equity Interest is considered to be held by any person treated as a settlor or beneficiary of all or a portion of the trust, or any other natural person exercising ultimate effective control over the trust. A Specified U.S. Person shall be treated as being a beneficiary of a foreign trust if such Specified U.S. Person has the right to receive directly or indirectly (for example, through a nominee) a mandatory distribution or may receive, directly or indirectly, a discretionary distribution from the trust.
- u) The term “**Insurance Contract**” means a contract (other than an Annuity Contract) under which the issuer agrees to pay an amount upon the occurrence of a specified contingency involving mortality, morbidity, accident, liability, or property risk.

- v) The term **“Annuity Contract”** means a contract under which the issuer agrees to make payments for a period of time determined in whole or in part by reference to the life expectancy of one or more individuals. The term also includes a contract that is considered to be an Annuity Contract in accordance with the law, regulation, or practice of the jurisdiction in which the contract was issued, and under which the issuer agrees to make payments for a term of years.
- w) The term **“Cash Value Insurance Contract”** means an Insurance Contract (other than an indemnity reinsurance contract between two insurance companies) that has a Cash Value greater than \$50,000.

- (1) a personal injury or sickness benefit or other benefit providing indemnification of an economic loss incurred upon the occurrence of the event insured against;
  - (2) a refund to the policyholder of a previously paid premium under an Insurance Contract (other than under a life insurance contract) due to policy cancellation or termination, decrease in risk exposure during the effective period of the Insurance Contract, or arising from a redetermination of the premium due to correction of posting or other similar error; or
  - (3) a policyholder dividend based upon the underwriting experience of the contract or group involved.

- y) The term **“U.S. Reportable Account”** means a Financial Account maintained by a Reporting Kuwait Financial Institution and held by one or more Specified U.S. Persons or by a Non-U.S. Entity with one or more Controlling Persons that is a Specified U.S. Person. Notwithstanding the foregoing, an account shall not be treated as a U.S. Reportable Account if such account is not identified as a U.S. Reportable Account after application of the due diligence procedures in Annex I.
- z) The term **“Account Holder”** means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.
- aa) The term **“U.S. Person”** means a U.S. citizen or resident individual, a partnership or corporation organized in the United States or under the laws of the United States or any State thereof, a trust if (i) a court within the United States would have authority under applicable law to render orders or

judgments concerning substantially all issues regarding administration of the trust, and (ii) one or more U.S. persons have the authority to control all substantial decisions of the trust, or an estate of a decedent that is a citizen or resident of the United States. This subparagraph 1(aa) shall be interpreted in accordance with the U.S. Internal Revenue Code.

- bb) The term **“Specified U.S. Person”** means a U.S. Person, other than: (i) a corporation the stock of which is regularly traded on one or more established securities markets; (ii) any corporation that is a member of the same expanded affiliated group, as defined in section 1471(e)(2) of the U.S. Internal Revenue Code, as a corporation described in clause (i); (iii) the United States or any wholly owned agency or instrumentality thereof; (iv) any State of the United States, any U.S. Territory, any political subdivision of any of the foregoing, or any wholly owned agency or instrumentality of any one or more of the foregoing; (v) any organization exempt from taxation under section 501(a) of the U.S. Internal Revenue Code or an individual retirement plan as defined in section 7701(a)(37) of the U.S. Internal Revenue Code; (vi) any bank as defined in section 581 of the U.S. Internal Revenue Code; (vii) any real estate investment trust as defined in section 856 of the U.S. Internal Revenue Code; (viii) any regulated investment company as defined in section 851 of the U.S. Internal Revenue Code or any entity registered with the U.S. Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a-64); (ix) any common trust fund as defined in section 584(a) of the U.S. Internal Revenue Code; (x) any trust that is exempt from tax under section 664(c) of the U.S. Internal Revenue Code or that is described in section 4947(a)(1) of the U.S. Internal Revenue Code; (xi) a dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United

States or any State; (xii) a broker as defined in section 6045(c) of the U.S. Internal Revenue Code; or (xiii) any tax-exempt trust under a plan that is described in section 403(b) or section 457(g) of the U.S. Internal Revenue Code.

cc) The term **“Entity”** means a legal person or a legal arrangement such as a trust.

dd) The term **“Non-U.S. Entity”** means an Entity that is not a U.S. Person.

Notwithstanding the foregoing, a U.S. Source Withholdable Payment does not include any payment that is not treated as a withholdable payment in relevant U.S. Treasury Regulations.

ff) An Entity is a **“Related Entity”** of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50 percent of the vote or value in an Entity. Notwithstanding the foregoing, Kuwait may treat an Entity as not a Related Entity of another Entity if the two Entities are not members of the same expanded affiliated group as defined in section 1471(e)(2) of the U.S. Internal Revenue Code.

gg) The term **“U.S. TIN”** means a U.S. federal taxpayer identifying number.

hh) The term **“Controlling Persons”** means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust,

and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

2. Any term not otherwise defined in this Agreement shall, unless the context otherwise requires or the Competent Authorities agree to a common meaning (as permitted by domestic law), have the meaning that it has at that time under the law of the Party applying this Agreement, any meaning under the applicable tax laws of that Party prevailing over a meaning given to the term under other laws of that Party.

Notwithstanding the foregoing, a Reporting Kuwait Financial Institution with respect to which the conditions of this paragraph 1 are not satisfied shall not be subject to withholding under section 1471 of the U.S. Internal Revenue Code unless such Reporting Kuwait Financial Institution is treated by the IRS as a Nonparticipating Financial Institution pursuant to subparagraph 3(b) of Article 5 of this Agreement.

2. **Suspension of Rules Relating to Recalcitrant Accounts.** The United States shall not require a Reporting Kuwait Financial Institution to withhold tax under section 1471 or 1472 of the U.S. Internal Revenue Code with respect to an account held by a recalcitrant account holder (as defined in section 1471(d)(6) of the U.S. Internal Revenue Code), or to close such account, if the U.S. Competent Authority receives the information set forth in paragraph 2 of Article 2 of this Agreement, subject to the provisions of Article 3 of this Agreement, with respect to such account.

5. **Special Rules Regarding Related Entities and Branches That Are Nonparticipating Financial Institutions.**

If a Kuwait Financial Institution, that otherwise meets the requirements described in paragraph 1 of this Article or is described in paragraph 3 or 4 of this Article, has a Related Entity or branch that operates in a jurisdiction that prevents such Related Entity or branch from fulfilling the requirements of a participating FFI or deemed-compliant FFI for purposes of section 1471 of the U.S. Internal Revenue Code or has a Related Entity or branch that is treated as a Nonparticipating Financial Institution solely due to the expiration of the transitional rule for limited FFIs and limited branches under relevant U.S. Treasury Regulations, such Kuwait Financial Institution shall continue to be in compliance with the terms of this Agreement and shall continue to be treated as a deemed-compliant FFI or exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code, provided that:

7. **Coordination of Definitions with U.S. Treasury Regulations.** Notwithstanding Article 1 of this Agreement and the definitions provided in the Annexes to this Agreement, in implementing this Agreement, Kuwait may use, and may permit Kuwait Financial Institutions to use, a definition in relevant U.S. Treasury Regulations in lieu of a corresponding definition in this Agreement, provided that such application would not frustrate the purposes of this Agreement.

## **Article 5**

3. **Significant Non-Compliance.**

- a) The U.S. Competent Authority shall notify the Kuwait Competent Authority when the U.S. Competent Authority has determined that there is significant non-compliance with the obligations under this Agreement with respect to a Reporting Kuwait Financial Institution. The Kuwait Competent Authority shall apply its domestic law (including applicable penalties) to address the significant non-compliance described in the notice.
- b) If such enforcement actions do not resolve the non-compliance within a period of 18 months after notification of significant non-compliance is first provided by the U.S. Competent Authority, the United States shall treat the Reporting Kuwait Financial Institution as a Nonparticipating Financial Institution pursuant to this subparagraph 3(b).

4. **Reliance on Third Party Service Providers.** Kuwait may allow Reporting Kuwait Financial Institutions to use third party service providers to fulfill the

2. The United States shall notify Kuwait of any such more favorable terms, and such more favorable terms shall apply automatically under this Agreement as if such terms were specified in this Agreement and effective as of the date of signing of the agreement incorporating the more favorable terms, unless Kuwait declines in writing the application thereof.
